The SPARC Audience

SPARC member schools represent a diverse and fast-growing selection of top independent day and boarding schools across the country. All of our schools are committed to leading exceptional summer and after-school programs that serve their student body and their wider community. Programs offered by SPARC schools include summer camps, enrichment camps, academic programs, after school and enrichment programming during the academic year, tutoring, facility rentals, and partnerships with third party providers. In addition, most Directors of Auxiliary Programs are responsible for operational purchasing and contracts including school store, transportation, and food service.
